ABOUT YOU

If you like being part of a team, having a hands-on role and you enjoy being active at work, these could be the roles for you. But the most important thing is a desire to make a real difference in the industry and to the way products are made.

THE DEGREE APPRENTICESHIPS

Our food & drink degree apprenticeships will be designed and approved by the food and drink industry to give you the specific skills, knowledge and experience employers are looking for.

So once your qualify, you'll have a solid foundation to take your career as far as you like!

Your training will cover a mix of university and on-the-job learning to ensure your complete your degree apprenticeship with a sought after combination of industry and technical skills - making you a huge asset to your employer from day one.

YOUR STUDIES

Your degree apprenticeship will be delivered by our university partners who are leaders in delivering degrees for the food & drink industry.
