

ACCOUNT MANAGER PERSON SPECIFICATION

The National Skills Academy for Food & Drink (NSAFD) are currently recruiting for an Account Manager to join the Business Delivery Team.

Experience

A demonstrable level of experience in Account Management either in a customer facing role, client relationship or commercial environment.

Obviously a background in food and drink manufacturing and or skills would be advantageous. However, we are more interested in someone who has the attributes and qualities as detailed below. All appropriate skills and knowledge will be provided to the successful applicant.

Qualities and Attributes

- Enthusiastic
- highly organised and be able to work on your own
- Tenacious
- Confidence in own ability
- Adaptable
- Willingness to learn
- Personable and be able to adapt your style to different types of people
- Highly driven and motivated to succeed
- An inquisitive mind and desire to learn new things
